## Professional Summary

Motivated and detail-oriented Full Stack Java Developer with an MCA and strong expertise in Core Java, Spring Boot, Hibernate, and web development, HTML, CSS, JavaScript, Bootstrap, PHP. Proficient in building scalable, responsive applications with hands-on experience in RESTful APIs, MVC architecture, and database design. Collaborative team player with a passion for delivering clean, maintainable code and solving real-world problems through technology.

---

## Technical Skills

- Programming Languages: Core Java, PHP.
- Web Technologies: HTML, CSS, JavaScript, JSP
- Frameworks & Libraries: Spring Boot, Spring, Hibernate, MVC
- Databases: MySQL, JDBC
- Tools & IDEs: Eclipse, Spring Tool Suite (STS), NetBeans, Visual Studio
- Version Control: Git, GitHub
- Other Skills: RESTful API Integration

---

## Professional Experience

### Software Development Intern

Codenera Pvt Ltd, Pune

February 2024 – July 2024

- Developed web applications using Core Java, JSP, HTML, CSS, and SQL.
- Built and maintained backend modules using JDBC, MySQL, Spring, and Hibernate.
- Participated in full-stack project cycles including planning, coding, testing, and deployment.
- Completed 6-month Java Full Stack Development training with hands-on project implementation.

---

## Projects

### 1. Agriculture Web Portal

*Technologies: Java, HTML, CSS, MySQL*

- Created a web portal enabling farmers to directly sell seeds and materials to buyers.
- Provided educational content on fertilizers and best practices to improve crop yield.
- Designed user-friendly interfaces and integrated backend logic for real-time data.

### 2. Auto Spare Parts Management System

*Technologies : Java, Spring Boot, JSP, HTML, CSS, Bootstrap, MySQL*

A full-stack web application built to simplify and automate the management of auto spare parts for both users and administrators. It delivers a sleek, responsive design with efficient performance and secure features.

#### Key Features:

User Features:

- Product Browsing: View a catalog of available auto parts with search and filter options.
- Cart & Ordering: Add items to cart, place orders, and complete transactions.
- Payment Integration: Integrated with a seamless and secure payment gateway.

Admin Features:

- Product Management: Add, update, or delete products with ease.
- Order Tracking: Monitor orders and track sales performance.
- User Management: View and manage registered users.

UI/UX Design Highlights:

- Responsive Design: Works flawlessly on desktops, tablets, and smartphones.
- Modern Styling: Built with Bootstrap and custom CSS for a professional, clean look.

### 3. Cake Shop Management System

*Technologies:* Java, Spring Framework, JSP, HTML, CSS, JavaScript, MySQL, Bootstrap  
A full-stack web application crafted to streamline operations and customer interaction for a premium cake shop. It features a modern, responsive UI with visually engaging design elements like hover animations and themed backgrounds.

**Key Features:**

- User Features:
  - Secure Authentication: User registration and login with password validation and error handling.
  - Interactive Home Page: Dynamic homepage with animated buttons and themed background images.
  - Menu Showcase: Beautifully displayed cake catalog with images and detailed descriptions.
- Admin Features:
  - Admin Dashboard: Full access to manage orders, inventory, and user accounts.
  - Role-Based Access: Separate access for users and admins with dedicated dashboards.
- UI/UX Design Highlights:
  - Responsive Layouts: Optimized for all screen sizes (mobile, tablet, desktop).
  - Stylish Animations: Smooth transitions, multi-color hover effects, and themed backgrounds.

---

## Education

**Master of Computer Applications (MCA)**

*Savitribai Phule Pune University, Pune — 2024*  
Percentage: 77%

**Bachelor of Computer Applications (BCA)**

*Chhatrapati Shivaji Maharaj University, Kolhapur — 2022*  
Percentage: 78%

---

## Certifications

- Java Full Stack Development – 2024
- Python Programming & Cyber Security – 2021

---

## Languages

- Marathi
- English
- Hindi

---

## Personal Details

- Date of Birth: 01 June 2002
- Marital Status: Unmarried
- Nationality: Indian

---

## Hobbies

- Playing chess
  - Listening to music
  - Traveling
-
